

MOHAMMED AAKIF S

BCA Student · Web Developer · Software Engineering Enthusiast

+91 9790562321 | syedmdaakif007@gmail.com | Vaniyambadi, Tamil Nadu, India | [LinkedIn](#) | [GitHub](#)

PROFESSIONAL SUMMARY

Second-year BCA student at VIT Vellore with a strong interest in Web Development and Software Engineering. Skilled in building real-world applications using HTML, CSS, JavaScript, PHP, and MySQL. Passionate about problem-solving and consistently improving technical skills through hands-on projects and self-directed learning.

EDUCATION

Vellore Institute of Technology (VIT), Vellore

2025 – 2027 (Expected)

Bachelor of Computer Applications (BCA)

Islamiah Boys Higher Secondary School (IBHSS), Vaniyambadi

Completed 2024

12th: 82.3% · 10th: 82.2%

TECHNICAL SKILLS

Programming: C, C++, Java (Basics)

Web Development: HTML, CSS, JavaScript, Bootstrap, PHP

Database: MySQL

Tools & Platforms: VS Code, Git, GitHub

PROJECTS

FreshMart – Grocery E-Commerce Website

Full-Stack Web App

- Developed a full-stack e-commerce platform with authentication and secure login functionality.
- Implemented product catalog with search and category filtering for seamless user navigation.
- Built shopping cart and order management system for end-to-end purchase workflow.
- Designed MySQL database schema for users, products, and orders; created admin dashboard for inventory and sales management.

PillGuard – Smart Medication Reminder System

IoT + AI Project

- Built a hardware-based medication reminder system using buzzer and LED components.
- Integrated AI chatbot powered by Google Gemini API for handling medical queries intelligently.
- Developed adherence tracking with logs and reminders; engineered a low-cost solution under Rs. 1500.

ACHIEVEMENTS & ACTIVITIES

- Actively learning Data Structures and Algorithms to strengthen problem-solving capabilities.
- Built multiple full-stack real-world projects demonstrating end-to-end development skills.
- Volunteered with the Red Cross for community service and social outreach initiatives.
- Participated in student leadership activities, developing communication and teamwork skills.

ADDITIONAL INFORMATION

Currently Learning: Full Stack Development (MERN / PHP Stack) **Strengths:** Problem Solving, Consistency, Self-learning

Soft Skills: Communication, Teamwork, Adaptability

Languages: English, Tamil, Hindi, Urdu
